Our company needs to check the following supplier information before issuing L / C:

1. The supplier's information can be verified at the Chinese customs.
2. The supplier should provide its transaction records of the lastest one year in China.
3. The latest official company's registration and CIS.
4. Coordinates of the loading port warehouse.
5. Certificate of Goods in Warehouse.
6. Qualification certificate and admission conditions for sugar factory sellers.
7. Invitation, for the buyer's designated team, to observe and/or inspect the product, including shipping at the port of loading.

We look forward working with you for a long lasting business partner ship with mutual cooperation and support. We appreciate your prompt reply with your best offer and your trading procedure (SCO/FCO).

This LOI is valid for 3-business days.
